**RESPONSE IN SUPPORT OF A  
REQUEST FOR CONTINUED EXAMINATION**

Dear Sir:

**INTRODUCTORY COMMENTS**

This Request for Continued Examination (RCE) is filed subsequent to an adverse Decision on Appeal of claims 1-8. Among other statements in the Board's Decision was that the unexpected results that the Applicant shows in Example 8 was not commensurate in scope of the claims which the evidence is offered to support. See page 6. As such, claims 1-8 are hereby canceled. New claims 9 and 10 are based on the data presented for Example 8 (using the composition of Example 4). As such, the unexpected results in shown in Example 8 are commensurate with the scope of the new claims. Accordingly, allowance of these claims is requested.
